MONACO YACHT SHOW

The Monaco Yacht Show is the world’s premiere luxury event where billionaires and yacht owners can discover the greatest aspects of superyachting.

Each year, the MYS curates the exhibition of 125 extraordinary one-off superyachts and 40 new launches unveiled in worldwide debuts by the world’s most respected shipyards.

With 580 exhibiting companies, the Monaco Yacht Show provides the ultimate showcase for industry influencers from the most reputable superyacht builders, award-winning yacht designers, luxury suppliers, and influential brokerage houses to the most sought-after tenders and water toys, prestige cars, helicopter and private jet manufacturers.

Since 1991, the MYS has gratefully benefitted from the recognition and the support of HSH Prince Albert II of Monaco.
This year, the Upper Deck Lounge welcomes visitors and participants on two floors – the ground floor features the exhibition of luxury brands, a bar and an outdoor terrace, while the first floor hosts L’Horizon restaurant and the show’s VIP lounge with a panoramic view over Port Hercules.

Every day of the show, Horizon offers a unique exciting menu, specially created by the chef Didier Aniés, Best Craftsman of France (MOF), from Private Dining by Fairmont Monte Carlo. The French house Lanson hosts you at the champagne bar to taste the different vintages of its champagne or enjoy snacks, sweet delicacies and refreshments.
